COMMISSION REGULATION (EEC) No 683/90

of 21 March 1990

amending Commission Regulation (EEC) No 3919/89 laying down detailed rules for the application in the pigmeat sector of Council Regulation (EEC) No 3899/89 reducing for 1990 the levies on certain agricultural products originating in developing countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3899/89 of 18 December 1989 reducing for 1990 the levies on certain agricultural products originating in developing countries [1], and in particular Article 3 thereof,

Whereas Regulation (EEC) No 3899/89 introduced arrangements for reducing import levies on certain products in the pigmeat, eggs and poultry and cereals sectors; whereas Commission Regulation (EEC) No 3919/89 [2] has laid down detailed rules for the application of that Regulation as regards products in the pigmeat sector with a view to administering the fixed amounts concerned; whereas those detailed rules are supplementary to Commission Regulation (EEC) No 3719/88 of 16 November 1988 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products [3], as amended by Regulation (EEC) No 1903/89 [4];

Whereas it is necessary to amend Commission Regulation (EEC) No 3919/89 in view of the practical experience acquired since the implementation of the special arrangements provided for by Regulation (EEC) No 3899/89; whereas it is therefore concerning the conditions for licence applications, the allocation of quantities by the Commission as well as the amount of the security;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:

Article 1

They shall be considered, as regards the maximum envisaged in the third subparagraph as well as the application of the rule contained in Article 4 (2), as a single application.

   A licence application must relate at least to one tonne and to a maximum of 25 % of the quantity available for the order number concerned with the exception of the order Nos 51.0060 and 51.0080, for which the maximum shall be 50 %, and for the quarter in respect of which a licence application is lodged.'

3. In Article 4 (5) the third and fourth subparagraphs are deleted.
