COMMISSION REGULATION (EEC) No 807/90

of 30 March 1990

fixing the amount of aid for peas, field beans and sweet lupins

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1431/82 of 18 May 1982 laying down special measures for peas, field beans and sweet lupins [1], as last amended by Regulation (EEC) No 1104/88 [2], and in particular Article 3 (6) (a) thereof,

Having regard to Commission Regulation (EEC) No 3540/85 of 5 December 1985 laying down detailed rules for the application of the special measures for peas, field beans and sweet lupins [3], as last amended by Regulation (EEC) No 3870/88 [4], and in particular Article 26a (7) thereof,

Whereas, as provided for in Article 3 (1) of Regulation (EEC) No 1431/82, aid is granted for peas, field beans and sweet lupins harvested in the Community and used in the manufacture of feedingstuffs where the world market price of soya cake is lower than the activating price; whereas this aid is equal to a proportion of the difference between these prices; whereas this proportion of the price difference was fixed in Article 3a of Council Regulation (EEC) No 2036/82 [5], as last amended by Regulation (EEC) No 2904/89 [6];

Whereas, in accordance with Article 3 (2) of Regulation (EEC) No 1431/82, aid is granted for peas and field beans harvested in the Community where the world market price for these products is lower than the guide price; whereas this aid is equal to the difference between the two prices;

Whereas the threshold price activating the aid for peas, field beans and sweet lupins for the 1989/90 marketing year was fixed by Council Regulation (EEC) No 1246/89 [7]; whereas, as provided for in Article 2a of Regulation (EEC) No 1431/82, the activating price for the aid for peas, field beans and sweet lupins is increased monthly as from the beginning of the third month of the marketing year; whereas the amount of the monthly increases in the threshold price was fixed by Council Regulation (EEC) No 1247/89 [8];

Whereas, since there are no valid activating threshold or guide prices for the 1990/91 marketing year for peas, field beans and sweet lupins, the amount of the subsidy in the case of advance fixing for this marketing year for peas, field beans and sweet lupins has only been calculated provisionally on the basis of the prices valid for the 1989/90 marketing year; whereas that amount must be applied provisionally only and will have to be confirmed or replaced when the prices and related measures for the 1990/91 marketing year are known, and notably those concerning the application of the guaranteed maximum quantities;

Whereas, pursuant to Article 4 of Regulation (EEC) No 1431/82, the world market price for soya cake must be determined on the basis of the most favourable purchase possibilities, excepting offers and quotations which cannot be considered representative of the real market trend; whereas account must be taken both of all offers on the world market and of the prices quoted on exchanges that are important for international trade; whereas this price is adjusted under the conditions and in the manner specified in Article 1 (2) of Regulation (EEC) No 2036/82, in order to take account of the prices of competing products in the case of field beans intended for animal feed;

Whereas, pursuant to Article 1 of Commission Regulation (EEC) No 2049/82 [9], as last amended by Regulation (EEC) No 1238/87 [10], the price must be determined per 100 kilograms of bulk soya cake of the standard quality defined in Article 1 (2) of Council Regulation (EEC) No 1464/86 [11] delivered to Rotterdam; whereas the necessary adjustments, notably those referred to in Article 2 of Regulation (EEC) No 2049/82, must be made for offers and quotations not of the type referred to above;

Whereas, if the aid system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the correcting factor provided for in the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 [12], as last amended by Regulation (EEC) No 1636/87 [13],

[13] OJ No L 153, 13. 6. 1987, p. 1.

— for other currencies, an exchange rate based on the arithmetic mean of the spot market rates of each of these currencies recorded over a given period in relation to the Community currencies referred to in the previous indent, and the aforesaid correcting factor;

Whereas pursuant to Articles 121 (2) and 307 (2) of te Act of Accession the amount of the aid for products harvested and processed in either of these Member States should be reduced by the customs duty charged on importation of products from third countries; whereas, moreover, in the case of sweet lupins harvested in Spain it must be reduced by the difference between the activating threshold price applied in Spain and the common price;

Whereas the world market price for peas and field beans and the amount of aid referred to in Article 3 (2) of Regulation (EEC) No 1431/82 were fixed by Commission Regulation (EEC) No 1938/89 [1]; whereas in terms of Article 2a of Regulation (EEC) No 1431/82 the guide price is increased monthly as from the beginning of the third month of the marketing year;

Whereas, pursuant to Article 26a of Regulation (EEC) No 3540/85, the gross aid expressed in ecus that results from Article 3 of Regulation (EEC) No 1431/82 shall be weighted by the differential amount referred to in Article 12a of Regulation (EEC) No 2036/82 and then converted into the final aid in the currency of the Member State in which the products are harvested using the agricultural conversion rate of that Member State;

Whereas the abatement of the subsidy which arises, where appropriate, from the system of maximum guaranteed quantities for the 1989/90 marketing year, has been fixed by Regulation (EEC) No 2656/89 [2],

HAS ADOPTED THIS REGULATION:

Article 1

1. The amounts of aid provided for in Article 3 of Regulation (EEC) No 1431/82 is indicated in the Annexes hereto.

2. However, the amount of the subsidy in the case of advance fixing for the 1990/91 marketing year for peas, field beans and sweet lupins will be confirmed or replaced as from 1 April 1990 to take into account, where appropriate, the effects of the application of the activating price for these products for the 1990/91 marketing year and, particularly those concerning the application of maximum guaranteed quantities.

Article 2

This Regulation shall enter into force on 1 April 1990.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 30 March 1990.

For the Commission

Ray MAC SHARRY

Member of the Commission
