COMMISSION REGULATION (EEC) No 86/90

of 12 January 1990

amending the Annex to Regulation (EEC) No 2087/89 fixing, until the end of the 1989/90 marketing year, the accession compensatory amounts applicable to cereals and rice and the coefficients to be used for the calculation of the amounts applicable to certain processed products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 468/86 of 25 February 1986 laying down general rules for the system of accession compensatory amounts for rice as a result of the accession of Spain (1), and in particular Article 8 thereof,

Whereas Article 72 (1) of the Act stipulates that the accession compensatory amounts are to be equal to the difference between the prices fixed for Spain and the intervention prices applicable for the Community as constituted at 31 December 1985; whereas in accordance with Regulation (EEC) No 468/86, that difference may be adjusted to make the products concerned comparable;

Whereas the difference between the Community intervention price and the Spanish price for paddy rice should be reduced by ECU 2,00 tonne to ensure such comparativeness; whereas that reduction stems from the difference in this marketing year between Spanish rice and Community rice of the standard quality;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Commission Regulation (EEC) No 2087/89 of 12 July 1989 fixing the accession compensatory amounts applicable to rice for the 1989/90 marketing year and the coefficients to be used to calculate the amounts applicable to certain processed products (2), is hereby replaced by the Annex hereto.

Article 2

This Regulation shall enter into force on the third day following it publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
