COMMISSION REGULATION (EEC) No 89/90

of 12 January 1990

adopting interim protective measures in regard to applications for STM licences in the milk sector lodged between 1 and 6 January 1990

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 85 (1) thereof,

Whereas Commission Regulation (EEC) No 606/86 of 28 February 1986 laying down detailed rules for applying the supplementary trade mechanism to milk products imported into Spain from the Community of Ten [1], as last amended by Regulation (EEC) No 3991/89 [2], set the indicative ceilings for milk sector products for 1990 and split these up into monthly ceilings;

Whereas applications for STM licences for butter and cheese lodged between 1 and 6 January 1990 are for quantities higher not only than the portion of the ceiling allotted for January 1990, but even higher than the entire indicative ceilings set for 1990;

Whereas Article 85 (1) of the Act of Accession states that the Commission may if an import ceiling is reached or exceeded decide, in accordance with emergency procedures, on the interim protective measures necessary; whereas the quantities applied for between 1 and 6 January 1990 should therefore be reduced by fixed percentages and the further issuing of licences for the products in question suspended up to 28 January 1990; whereas this will automatically entail a rejection of applications lodged after 6 January,
