COMMISSION REGULATION (EEC) No 949/90
of 11 April 1990
fixing the aid for soya beans

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 1491/85 of 23 May 1985 laying down special measures in respect of soya beans [1], as last amended by Regulation (EEC) No 2217/88 [2], and in particular Article 2 (7) thereof,

Having regard to Council Regulation 2286/88 of 19 July 1988 providing for the granting of special aid for soya beans produced and processed in Portugal [3],

Whereas, since there is no valid activating threshold or guide price for the 1990/91 marketing year for soja beans, the amount of the subsidy in the case of advance fixing for this marketing year has only been calculated provisionally on the basis of the latest proposals from the Commission to the Council on price and related measures ; whereas that amount must be applied provisionally only and will have to be confirmed or replaced when the prices and related measures for the 1990/91 marketing year are known, and notably those concerning the application of the guaranteed maximum quantities ;

Whereas the amount of the aid referred to in Article 2 (1) of Regulation (EEC) No 1491/85 was fixed by Commission Regulation (EEC) No 268/90 [4], as last amended by Regulation (EEC) No 810/90 [5] ;

Whereas it follows from applying the rules and other provisions contained in Regulation (EEC) No 268/90 to the information at present available to the Commission that the amount of the aid at present in force should be altered as set out in this Regulation,

HAS ADOPTED THIS REGULATION :

Article 1

1. The amount of the aid provided for in Regulation (EEC) No 1491/85 and the amount of the special aid provided for in Article 1 of Regulation (EEC) No 2286/88 in the case of Portugal shall be as set out in the Annex hereto.

2. However, the amount of the subsidy in the case of advance fixing for the 1990/91 marketing year for soja beans, will be confirmed or replaced as from 12 April 1990 to take into account, where appropriate, the effects of the application of the activating price for these products for the 1990/91 marketing year and, particularly those concerning the application of maximum guaranteed quantities.

Article 2

This Regulation shall enter into force on 12 April 1990.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 11 April 1990.
