of 31 May 1991

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 28 thereof,

Having regard to the proposal from the Commission,

Whereas production in the Community of the products specified in this Regulation is currently inadequate or non-existent; whereas producers thus cannot meet the needs of user industries in the Community;

Whereas in certain cases it is in the interest of the Community to suspend the autonomous Common Customs Tariff duties only partially, particularly since the goods in question are produced in the Community, and in the other cases to suspend them totally;

Whereas, in view of the difficulty of assessing accurately short-term trends in the economic situation in the relevant sectors, suspension measures should be taken only temporarily by fixing their period of validity by reference to the interests of Community production,

HAS ADOPTED THIS REGULATION:

These suspensions shall be valid
