COMMISSION REGULATION (EEC) No 1577/91

of 11 June 1991

amending Regulation (EEC) No 2911/90 laying down detailed rules of application for aid for the production of certain varieties of grapes for drying

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 426/86 of 24 February 1986 on the common organization of the market in products processed from fruit and vegetables (1), as last amended by Regulation (EEC) No 2201/90 (2), and in particular Article 6 (6) thereof,

Whereas the sound operation of the aid scheme per hectare requires in particular that Community aids should not be paid in combination in respect of the same area; whereas only aids granted to improve agricultural production structures, excluding any allowance to offset loss of income, during the period of application of such aids should be considered compatible with the abovementioned principle; whereas, as a consequence, aids or allowances provided for by Council Regulation (EEC) No 895/85 of 1 April 1985 on a common measure to improve the structures of the wine-making sector in Greece (3), as amended by Regulation (EEC) No 3768/85 (4), and the Commission Decision of 5 July 1989 for granting financial assitance from EAGGF, Guidance Section, for an operational programme to combat phylloxera which has affected the vineyards of Crete (Greece) (5) should accordingly be excluded; whereas the provisions in force should accordingly be made more flexible and defined more closely and Article 3 of Commission Regulation (EEC) No 2911/90 (6) should be amended accordingly;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Products Processed from Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:
