COMMISSION REGULATION (EEC) No 1662/91

of 14 June 1991

fixing the maximum buying-in price and the quantities of beef bought in for the 47th partial invitation to tender under Regulation (EEC) No 1627/89

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal and in particular Article 90 thereof,

Having regard to Council Regulation (EEC) No 805/68 of 27 June 1968 on the common organization of the market in beef and veal (1), as last amended by Regulation (EEC) No 1628/91 (2), and in particular Article 6 (7) thereof,

Whereas, pursuant to Commission Regulation (EEC) No 859/89 of 29 March 1989 laying down detailed rules for the application of intervention measures in the beef and veal sector (3), as last amended by Regulation (EEC) No 920/91 (4), an invitation to tender was opened by Commission Regulation (EEC) No 1627/89 of 9 June 1989 on the buying in of beef by invitation to tender (5), as last amended by Regulation (EEC) No 1557/91 (6);

Whereas, in accordance with Article 11 (1) of Regulation (EEC) No 859/89, a maximum buying-in price is to be fixed for quality R3, where appropriate, for each partial invitation to tender in the light of the tenders received; whereas, in accordance with Article 12 of that Regulation, only tenders lower than or equal to the maximum price are to be accepted; whereas, however, pursuant to Article 5 of that Regulation, where the intervention agencies in Member States are offered meat in quantities greater than they are able to take over forthwith, such intervention agencies may limit buying in to the quantities they can take over;

Whereas, after the tenders submitted for the 47th partial invitation to tender have been examined and taking account, pursuant to Article 6 (1) of Regulation (EEC) No 805/68, of the requirements for reasonable support of the market and the seasonal trend in slaughterings, the maximum buying-in price and the quantities which may be accepted into intervention should be fixed;

Whereas the quantities offered at present exceed the quantities which may be bought in; whereas a reducing coefficient or, where appropriate depending on the differences in prices and the quantities tendered for, several reducing coefficients should accordingly be applied to the quantities which may be bought in in accordance with Article 11 (3) of Regulation (EEC) No 859/89;

Whereas, moreover, since the conditions laid down in the first indent of Article 6 (5) of Regulation (EEC) No 805/68 are met in respect of certain Member States or regions of Member States and certain quality groups, all the tenders relating thereto which do not exceed 80 % of the intervention price should be accepted;

Whereas the period laid down in Article 90 of the Act of Accession was extended until 31 December 1991 by Council Regulation (EEC) No 3836/90 (7);

Whereas the scale of the quantities awarded in Spain and the inability of the take-over facilities to cope with the situation warrant the extension by one week of the period allowed for the delivery of the products into intervention in that Member State;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Beef and Veal,

HAS ADOPTED THIS REGULATION:
