COMMISSION REGULATION (EEC) No 1776/91

of 21 June 1991

introducing a corrective amount on the import of apricots into the Community of Ten from Spain (except the Canary Islands)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 3709/89 of 4 December 1989 laying down general rules for implementing the Act of Accession of Spain and Portugal as regards the compensatory mechanism for imports of fruit and vegetables from Spain [1], and in particular Article 4 (2) thereof,

Whereas Article 152 of the Act of Accession introduces from 1 January 1990 a compensatory mechanism for imports into the Community as constituted on 31 December 1985, hereinafter called 'the Community of Ten', of fruit and vegetables from Spain (except the Canary Islands) for which a reference price is fixed with regard to third countries;

Whereas Regulation (EEC) No 3709/89 lays down general rules for applying the said compensatory mechanism;

Whereas Commission Regulation (EEC) No 1186/91 [2] fixed, for the 1991 marketing year, the Community offer price for apricots applicable with regard to Spain (except Canary Islands);

Whereas Commission Regulation (EEC) No 3815/89 [3] lays down detailed rules for applying the compensatory mechanism on imports of fruit and vegetables from Spain (except the Canary Islands);

Whereas, in the case of apricots, the offer price for the Spanish product as calculated in accordance with the provisions of Council Regulation (EEC) No 3709/89 has remained for two consecutive market days at a level at least ECU 0,6 below the Community offer price; whereas a corrective amount equal to the difference between the Community offer price and the Spanish offer price must therefore be introduced for these products from Spain (except the Canary Islands);

Whereas if the system is to operate normally the offer price of the Spanish product should be calculated on the following basis:

— in the case of currencies the spot market rates for which are maintained in relationship to each other within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last subparagraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 [4], as last amended by Regulation (EEC) No 2205/90 [5],

— for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

HAS ADOPTED THIS REGULATION:

Article 1

On import into the Community of Ten of apricots (CN code 0809 10 00) from Spain (except the Canary Islands) a corrective amount of ECU 6,39 per 100 kilograms net shall be levied.

Article 2

This Regulation shall enter into force on 25 June 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 June 1991.

For the Commission

Ray MAC SHARRY

Member of the Commission
