COMMISSION REGULATION (EEC) No 1867/91

of 28 June 1991

fixing for the 1991/92 marketing year the amount of the levy in connection with the offsetting of storage costs for sugar

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1785/81 of 30 June 1981 on the common organization of the markets in the sugar sector [1], as last amended by Regulation (EEC) No 464/91 [2], and in particular Article 8 (5) thereof,

Whereas Article 8 (1) of Regulation (EEC) No 1785/81 provides that the storage costs for sugar and syrups shall be reimbursed at a flat rate by the Member States;

Whereas Article 6 of Council Regulation (EEC) No 1358/77 [3], as last amended by Regulation (EEC) No 3042/78 [4], provides that the amount of the levy for Community sugar shall be calculated by dividing the total estimated reimbursement by the estimated quantity of sugar which will be marketed during the sugar marketing year in question; whereas the total estimated reimbursement is to be increased or decreased, as the case may be, by the amounts carried forward from previous marketing years;

Whereas Article 8 (4) of Regulation (EEC) No 1785/81 provides that the monthly reimbursement amount shall be fixed by the Council simultaneously with the derived intervention prices; whereas the amount for 1991/92 as laid down in Council Regulation (EEC) No 1718/91 [5], is ECU 0,52 per 100 kilograms of white sugar;

Whereas, pursuant to Article 4 of Regulation (EEC) No 1358/77, the quantity in store to be taken into account for the reimbursement of any one month's storage costs is equal to the arithmetic mean of the quantities held in store in the beginning and at the end of the month in question; whereas, for the 1991/92 marketing year, the quantities of Community sugar in store each month may be estimated by reference to estimated stocks at the beginning of the marketing year, estimated monthly production and the quantities likely to be marketed for domestic consumption or exported during the same month; whereas total average monthly stocks during the 1991/92 marketing year can be estimated at approximately 85 million tonnes of sugar expressed as white sugar; whereas the total reimbursement for Community sugar can thus be estimated at approximately ECU 444 million for the 1991/92 marketing year; whereas the balance of previous sugar marketing years can be estimated at a positive amount of ECU 111 million; whereas the detailed rules for the application of the system of offsetting storage costs for sugar provide that the levy is to be fixed per 100 kilograms of white sugar; whereas the quantity of Community sugar which will be marketed during the 1991/92 marketing year for home consumption or for export may be estimated at approximately 13,3 million tonnes of sugar expressed as white sugar; whereas the amount of the levy for Community sugar should therefore be ECU 2,50 per 100 kilograms of white sugar:

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1991/92 marketing year, the amount of the levy referred to under the second subparagraph of Article 8 (2) of Regulation (EEC) No 1785/81 is hereby fixed at ECU 2,50 per 100 kilograms of white sugar.

Article 2

This Regulation shall enter into force on 1 July 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 28 June 1991.

For the Commission

Ray MAC SHARRY

Member of the Commission
