COMMISSION REGULATION (EEC) No 2163/91

of 23 July 1991

setting accession compensatory amounts applicable on rice sector products in Portugal in the 1991/92 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal,

Having regard to Council Regulation (EEC) No 3654/90 of 11 December 1990 laying down general rules for the system of accession compensatory amounts applicable to cereals and during the second stage of the accession of Portugal [1], and in particular Article 5 thereof;

Whereas an intervention price for paddy rice applicable in Portugal in the 1991/92 marketing year was set by Council Regulation (EEC) No 1712/91 [2]; whereas setting of this price necessitates application of accession compensatory amounts on paddy, husk, semi-milled and fully milled rice;

Whereas these amounts must be determined as specified in Article 2 (1) of Council Regulation (EEC) No 3654/90;

Whereas, in view of the situation regarding the price of broken rice in Portugal at the beginning of the second stage, it has been decided not to apply an accession compensatory amount for that product;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The accession compensatory amounts indicated in the Annex to this Regulation shall be applicable in the 1991/92 marketing year to the products listed at (a) in Article 1 of Council Regulation (EEC) No 1418/76 [3].

Article 2

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Communities.*

It shall be applicable from 1 September 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 23 July 1991.
