COUNCIL REGULATION (EEC) No 3301/91

of 11 November 1991

on the arrangements for imports of certain textile products originating in Yugoslavia

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to Council Regulation (EEC) No 288/82 of 5 February 1982 on common rules for imports (1), and in particular Article 16 thereof,

Having regard to Council Regulation (EEC) No 1023/70 of 25 May 1970 establishing a common procedure for administering quantitative quotas (2), and in particular Articles 2, 4 and 5 thereof,

Having regard to the proposal from the Commission,

Whereas the European Community and its Member States have concluded with the Socialist Federal Republic of Yugoslavia a Cooperation Agreement and related Protocols and Instruments and also an Agreement on ECSC products;

Whereas the imports of certain textile products originating in Yugoslavia are subject to quantitative restrictions by virtue of the Additional Protocol to the Cooperation Agreement covering trade in textile products, negotiated in 1986;

Whereas the Council, by Decision 91/586/ECSC, EEC (3), decided to suspend, with immediate effect, the Cooperation Agreement and the related Protocols and Instruments, including the Additional Protocol on trade in textile products;

Whereas the other countries supplying textile products with a status similar to that of Yugoslavia are subject to restrictions by virtue of comparable agreements negotiated on the basis of Article 4 of the Multifibre Agreement; whereas it would not be fair in relation to these other suppliers to suspend restrictions for textile products originating in Yugoslavia;

Whereas it is consequently necessary to maintain the restrictions fixed by the Additional Protocol and thus to impose Community quantitative quotas on imports; whereas the concept of 'originating products' is defined by the Community rules in force;

Whereas, because of the considerable disparities between the conditions to which imports into Member States of the products in question are at present subject and because of the particular sensitivity of the Community textile industry, harmonization of these import conditions can be achieved only gradually; whereas, to this end, the main criterion for the allocation of the Community quantitative quotas should be that the volumes admitted under the present import conditions should be gradually adapted to the supply needs of the markets, with significantly higher annual rates of increase for Member States in which the volumes are relatively the smallest, in order to align them gradually on the supply needs of the markets;

Whereas it is necessary to provide that neither handicraft or traditional folklore products, for which an appropriate certification system will be devised, nor products introduced into the customs territory of the Community under the inward processing rules or under other temporary admission rules and re-exported from that territory in the same state or after processing are to be set off against the abovementioned quantitative quotas;

Whereas provision should be made for introducing, where certain conditions are fulfilled, quantitative limits on textile products which are covered by the import arrangements applicable to Yugoslavia but for which no quantitative limit has been fixed;

Whereas it should be possible, where a quantitative quota has been substantially under-utilized in one year, to restrict the growth of imports of the product concerned;

Whereas it should be possible, where it is found that products originating in Yugoslavia and subject to this Regulation have been imported into the Community in an attempt to evade the provisions of this Regulation, to deduct the quantity of goods concerned from the appropriate quantitative quotas established under this Regulation;

Whereas it should be possible to introduce specific quantitative quotas for products obtained under the outward processing relief arrangements;

Whereas the import arrangements at present in force have been suspended; whereas it is necessary to provide for transitional arrangements in respect of products shipped before the date of entry into force of this Regulation, taking into account the quantities already imported in 1991 under the Additional Protocol to the Cooperation Agreement,

HAS ADOPTED THIS REGULATION:

Article 1

1. From 1 January to 31 December 1991 importation into the Community of the products indicated in the categories

(1) OJ No L 35, 9. 2. 1982, p. 1. Regulation as last amended by Regulation (EEC) No 2978/91 (OJ No L 284, 12. 10. 1991, p. 1).
(2) OJ No L 124, 8. 6. 1970, p. 1. Regulation as last amended by the 1985 Act of Accession.
(3) See page 47 of this Official Journal.

listed in Annex I shall be governed by the provisions of this Regulation. The quantities already imported in 1991 under the Additional Protocol to the Cooperation Agreement shall be set off against the quantitative limits fixed in Annex II to this Regulation.

2. Classification shall be based on the combined nomenclature (CN).

3. Subject to the provisions of this Regulation, importation into the Community of the textile products referred to in paragraph 1 shall not be subject to quantitative restrictions or to measures having equivalent effect.

Article 2

1. In 1991, importation into the Community of textile products listed in Annex II and originating in Yugoslavia shall be effected within the limits of quantitative quotas, the allocation being made in such a way as to ensure the expansion and gradual adjustment to the supply needs of the markets and also to allow for carry-over and advance drawing as between one year and another and for transfers from one category to another.

The quotas for the period 1 January to 31 December 1991 shall be fixed in Annex II.

2. For the purposes of applying this Regulation, the concept of originating products, as well as the means of monitoring their origin, shall be those defined by the relevant Community rules in force.

3. The release for free circulation in the Community of the products referred to in paragraph 1 shall be subject to the presentation of the import authorization referred to in Article 5 of Regulation (EEC) No 1023/70. Import authorizations shall be issued by the Member States' authorities, subject to the remaining provisions of this Article and to the conditions which may be required by the aforesaid authorities for the administration of the quotas. The authorities of the Member State of importation shall issue the import authorization within five working days of presentation by the importer of the relevant application.

Imports authorized in accordance with the abovementioned provisions shall be set off against the quotas established for the year in which the products were loaded on board in Yugoslavia.

For the purposes of this Regulation, shipment of the goods is considered to have taken place on the date of their loading on to the exporting aircraft, vehicle or vessel.

4. The release for free circulation in the Community after the date of entry into force of this Regulation of products referred to in this Regulation shall be subject to the same import arrangements in force before that date, provided that the products were loaded on board in Yugoslavia before the date of entry into force of this Regulation.

5. Should it appear that additional supplies of a product listed in Annex II are required in the Community or in a given region of the Community, importation of amounts greater than those mentioned in Annex II may be authorized in accordance with the procedure laid down in Article 11.

6. The definition of quantitative limits laid down in Annex II and of the categories of products to which they apply shall be adopted in accordance with the procedure laid down in Article 11, where this proves necessary to ensure that any subsequent amendment to the combined nomenclature (CN) or any decision amending the classification of such products does not result in a reduction of such quantitative limits.

Article 3

1. Imports of textile products in the categories to which this Regulation applies, originating in Yugoslavia and not listed in Annex II, may be made subject to quantitative limits in the Community where the level of those imports exceeds the level of the total imports of the same product in the preceding year by the following percentages:

— for the categories of products in Group I: 1,25 %,

— for the categories of products in Group II: 6,25 %,

— for the categories of products in Group III: 12,25 %.

2. Where the imports referred to in paragraph 1 into a given region of the Community exceed, as regards the total amount calculated for the Community as a whole by means of the percentages shown in paragraph 1, the percentage fixed for such region in the table shown below, they may be made subject to quantitative limitation in that region:

Germany	25,5 %
Benelux	9,5 %
France	16,5 %
Italy	13,5 %
Denmark	2,7 %
Ireland	0,8 %
United Kingdom	21,0 %
Greece	1,5 %
Spain	7,5 %
Portugal	1,5 %

3. Such limits may not be set at an annual level lower than 106 % of the volume of imports during the year preceding that in which imports exceeded the threshold established in accordance with paragraph 1, nor lower than the level established under paragraph 1, nor lower than the 1985 volume of imports of the category of products in question originating in Yugoslavia.

4. The limits referred to in paragraphs 1 and 2 shall be set by the Commission in accordance with the procedure referred to in Article 11.

5. The provisions for the administration of the quantitative quotas, described in Article 2, and in particular Articles 2, 4 and 6 to 9 of this Regulation, shall apply to quantitative limits established under this Article, save for any different provisions adopted in accordance with the procedure referred to in Article 11.

Article 4

1. Member States may authorize imports in excess of the quantitative quotas laid down by Article 2, either by carrying over unused quantities from the quotas of the preceding year or by advance drawing on the quotas for the following year, provided that such carry-over and advance drawing does not exceed respectively 9% and 5% of the quota to be increased.

2. Member States may authorize the transfer of unused quantities in one quota to another quota within the following limits only:

— between categories 2 and 3 of Group I: 7% of the quota to which the transfer is made,

— between categories 4 to 8 of Group I: 7% of the quota to which the transfer is made,

— from the categories in Groups I, II and III to categories in Groups II or III: 10% of the quota to which the transfer is made.

The table of equivalences applying to the transfers referred to is given in Annex I.

3. The cumulative application of the flexibility arrangements set out in the preceding paragraphs may not exceed, with regard to each quota, 17%.

4. Member States shall inform the Commission forthwith each time the provisions laid down in the preceding paragraphs are invoked; the Commission shall inform the other Member States thereof.

Article 5

If in a given year there is a sharp and substantial increase in the level of imports into the Community or a region of the Community of a given category of Group I products listed in Annex II, the Commission may, at the request of a Member State or on its own initiative, decide, in accordance with the procedure laid down in Article 11, to make adjustments to the limits while maintaining the overall import possibilities.

Article 6

1. Where the Commission finds that products originating in Yugoslavia which are subject to quantitative quotas established under this Regulation have been transhipped, re-routed or otherwise imported into the Community in circumvention of this Regulation and where there is clear proof of such circumvention, the Commission may, in accordance with the procedure laid down in Article 11, deduct from the quantitative quotas established under this Regulation an amount equivalent to the amount of the products concerned originating in Yugoslavia.

2. The provisions of paragraph 1 shall apply also to imports after 1 January 1983.

Article 7

Reimports into the Community of textile products after processing in Yugoslavia shall be subject to the specific arrangements provided for in Annex III, provided that such reimports have been made in accordance with the rules on economic outward processing in force in the Community.

Article 8

Products referred to in Article 1 which are brought into the customs territory of the Community under inward processing arrangements or under other temporary admission arrangements and re-exported from that territory in the unaltered state or after processing shall not be charged against the quotas as established in Articles 2 and 3.

Article 9

Products referred to in Article 1 shall not be set off against the quotas referred to in Articles 2 and 3 if they comply with the criteria set out below:

(a) fabrics, woven on handlooms entirely operated by hand or foot, of a traditional variety made by the cottage industry in Yugoslavia;

(b) clothes or other textile articles of a traditional variety fabricated by the cottage industry in Yugoslavia, obtained manually from fabrics described above and handsewn without the aid of machinery;

(c) handmade traditional folklore textile products made by the cottage industry in Yugoslavia.

Article 10

Where reference is made to the procedure provided for in Article 11, the Committee referred to in the said Article shall, for the purposes and lifetime of this Regulation, be the Textile Committee set up under Article 10 of Regulation (EEC) No 1023/70.

Article 11

1. Where reference is made to the procedure defined in this Article, the chairman, on his own initiative or at the request of the representative of a Member State, shall refer the matter to the Committee.

2. The Commission representative, who shall chair the Committee, shall submit draft measures to the Commission.

The Commission shall deliver an opinion on the draft measures within a period which may be fixed by the chairman depending on the degree of urgency of the matters to be examined. The Committee shall decide, by the majority specified in Article 148 (2) of the Treaty, on the adoption of acts by the Council on a proposal from the Commission. In the case of votes within the Committee, the votes of the Member States' representatives shall be weighted in accordance with the abovementioned Article. The chairman shall not vote.

3. The Commission shall adopt the measures proposed where they are in conformity with the Committee's opinion.

Where the measures proposed are not in conformity with the Committee's opinion, or where no opinion has been given, the Commission shall submit to the Council without delay a proposal for the measures to be taken. The Council shall act by a qualified majority.

Should the Council fail to take a decision within one month of the date on which the proposal was laid before it, the Commission shall adopt the proposed measures.

Article 12

The chairman may, on his own initiative or at the request of one of the Member States' representatives, consult the Committee on any other matter relating to the operation of this Regulation.

Article 13

Council Regulation (EEC) No 4135/86 of 22 December 1986 on rules for imports of certain textile products originating in Yugoslavia [1] is hereby repealed as from the entry into force of this Regulation.

Article 14

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Community*.

It shall apply until 31 December 1991.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 11 November 1991.

ANNEX III

Regime applicable to outward processing trade

1. Re-imports into the Community referred to in Article 7 of this Regulation shall be subject to the provisions of this Regulation, subject to the following particular provisions.

2. Re-imports into the Community listed in the present Annex are subject to specific quantitative limits established in Appendix A. These specific quantitative limits for 1991 are broken down between the Member States, as indicated in Appendix B.

3. In accordance with the procedures set out in Article 11 of this Regulation, specific quantitative limits can be established for re-imports of products not referred to in Appendix A. The decision to do so shall be taken in accordance with the provisions set out in Article 11.

4. The Community may make automatic transfers within the following limits:

(a) transfer between categories up to 25 % of the quota share of the category to which the transfer is made;

(b) carry-over of a specific quantitative limit from one year to another up to 13,5 % of the quota-share of the year of actual utilization;

(c) advance use of specific quantitative limits from one year to another up to 7,5 % of the quota-share of the year of actual utilization;

(d) the reallocation of part of any specific quantitative limit not used in one Member State of the Community to another Member State, may be decided in accordance with the procedure laid down in Article 11.

5. Member States which note a need for additional imports or consider that their quota-share is not likely to be fully utilized shall inform the Commission thereof. They may request that the specific quantitative limits be adapted in accordance with procedure laid down in Article 11 of the Regulation.

6. The Community shall inform Yugoslavia of any measures taken under paragraphs 3 and 4.

7. Debiting against one of the specific quantitative limits referred to in paragraphs 2 and 3 or the accounting for products covered by the present Annex but not referred to in Appendix A shall be carried out by the competent authorities of the Member States at the time of issuing of the prior authorization provided for by the Community Regulation on economic outward processing.

All debiting or accounting shall be set against the year in which the prior authorization was issued.

8. A certificate of origin shall be issued for all products covered by this Annex by the competent authorities of Yugoslavia, in accordance with the Community legislation in force and shall bear a reference to the prior authorization referred to in paragraph 7 to the effect that the processing operation described in the prior authorization was carried out in Yugoslavia.

Failure to comply with this provisions shall not entail the *ipso facto* rejection of the prior authorization, save where there is grave suspicion of fraudulent practice or of serious irregularity and subject to the appropriate precautionary measures to be taken before the products are given clearance.

9. The Member States shall communicate to the Commission the names, addresses and the specimens of stamp impressions used by the competent authorities of the Community for the issue of the prior authorizations referred to in paragraph 7.
