COMMISSION REGULATION (EEC) No 3751/91

of 19 December 1991

re-establishing the levying of customs duties on products falling within CN code 2523, originating in Czechoslovakia, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3831/90 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3831/90 of 20 December 1990 applying generalized tariff preferences for 1991 in respect of certain industrial products originating in developing countries (1), and in particular Article 9 thereof,

Whereas, pursuant to Article 1 of that Regulation, customs duties on certain products originating in each of the countries or territories listed in Annex III are totally suspended, and the products as such are, as a general rule, Community, originating subject to statistical surveillance every three months on the reference base referred to in Article 8 ;

Whereas, as provided for in Article 8, where the increase of preferential imports of these products, originating in one or more beneficiary countries, threatens to cause economic difficulties in a region of the Community, the levying of customs duties may be re-established, once the Commission has had an appropriate exchange of information with the Member States ; whereas for this purpose the reference base to be considered is equal, as a general rule, to 6,3 % of the total importations into the Community from third countries in 1988 ;

Whereas, in the case of products falling within CN code 2523, originating in Czechoslovakia, the reference base is fixed at ECU 7 464 000 ; whereas that reference base was reached on 30 October 1991 by charges of imports into the Community of the products in question originating in Czechoslovakia ; whereas the exchange of information organized by the Commission has demonstrated that continuance of the preference threatens to cause economic difficulties in a region of the Community ; whereas, therefore, customs duties for the products in question must be re-established with regard to Czechoslovakia,

HAS ADOPTED THIS REGULATION :

Article 1

As from 24 December 1991, the levying of customs duties, suspended pursuant to Council Regulation (EEC) No 3831/90, shall be re-established on imports into the Community of the following products, originating in Czechoslovakia :

CN code	Description
2523	Portland cement, aluminous cement, slag cement, supersulphate cement and similar hydraulic cements, whether or not coloured or in the form of clinkers

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
