COUNCIL REGULATION (EEC) No 1155/92

of 28 April 1992

amending Regulation (EEC) No 3301/91 on the arrangements for imports of certain textile products originating in Yugoslavia

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Article 113 thereof,

Having regard to the proposal from the Commission,

Whereas by Regulation (EEC) No 3301/91 [1] the Council established Community quantitative quotas for imports of certain textile products originating in Yugoslavia, following the suspension by Regulation (EEC) No 3300/91 [2] of the trade concessions provided for in the Cooperation Agreement concluded by the European Economic Community with the Socialist Federal Republic of Yugoslavia [3] and in related protocols and instruments, including the Additional Protocol on trade in textile products;

Whereas by Regulation (EEC) No 52/92 [4] the Council extended into 1992 the provisions of Regulation (EEC) No 3301/91;

Whereas certain republics which were part of the Socialist Federal Republic of Yugoslavia until 1 January 1992 have become independent States;

Whereas the economic conditions in the Community which led to the establishment of the quantitative quotas still exist, notwithstanding the new independent status of the republics in question;

Whereas it is essential to provide an institutional framework which allows trade in textile products from any territory which was formerly part of the Socialist Federal Republic of Yugoslavia to develop in a uniform manner;

Whereas determination and monitoring of the origin of textile products imported under those arrangements from the territories in question should continue to be governed by current Community rules and regulations on those matters,

HAS ADOPTED THIS REGULATION:
