## of 8 May 1992

## re-establishing the levying of customs duties on products falling within CN code 8712 00, originating in China, to which the preferential tariff arrangements set out in Council Regulation (EEC) No 3831/90 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3831/90 of 20 December 1990 applying generalized tariff preferences for 1991 in respect of certain industrial products originating in developing countries [1], extended for 1992 by Regulation (EEC) No 3587/91 [2], and in particular Article 9 thereof,

Whereas, in pursuant to Article 1 of Regulation (EEC) No 3831/90, customs duties on certain products originating in each of the countries or territories listed in Annex III are totally suspended for 1992, and the products as such are, as a general rule, subject to statistical surveillance every three months on the reference base referred to in Article 8 ;

Whereas, as provided for in Article 8, where the increase of preferential imports of these products, originating in one or more beneficiary countries, threatens to cause economic difficulties in a region of the Community, the levying of customs duties may be re-established, once the Commission has had an appropriate exchange of information with the Member States ; whereas for this purpose the reference base to be considered is equal, as a general rule, to 6,615 % of the total importations into the Community, originating from third countries in 1988 ;

Whereas, in the case of the products of the CN code 8712 00 originating in China the reference base is fixed at ECU 9 454 000 ; whereas that reference base was reached on 23 March 1992 by charges of imports into the Community of the products in question originating in China ; whereas the exchange of information organized by the Commission has demonstrated that continuance of the preference threatens to cause economic difficulties a region of the Community ; whereas, therefore, customs duties for the products in question must be reintroduced with regard to China,
