COMMISSION REGULATION (EEC) No 2007/92

of 20 July 1992

on transitional measures for certain products not covered by specific supply measures for the Canary Islands

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regards to Council Regulation (EEC) No 1601/92 of 15 June 1992 concernint specific measures for the Canary Islands with regard to certain agricultural products (1),

Having regard to Commission Regulation (EEC) No 1695/92 of 30 June 1992 on common detailed rules of application for the special arrangements for supplying the Canary Islands with certain agricultural products (2), and in particular the final provisions thereof,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (3), as last amended by Regulation (EEC) No 1738/92 (4), and in particular Articles 12 (2), 16 (6) and 26 thereof, and to the corresponding provisions of the other Regulations on the common organization of the markets;

Whereas the proposal for a Council Regulation on specific measures for the Canary Islands covering certain agricultural products was published in *Official Journal of the European Communities* No C 145 of 6 June 1992; whereas it was only on that date that interested parties culd ascertain the list of products for which export refunds were not to be replaced by an inter-Community aid arrangement; whereas this constitutes a fundamental change in trade in those products between the Community and the Canary Islands;

Whereas special measures should be taken for these products to ease the changeover to the new arrangements;

Whereas these special measures are not such as to prevent sound management of the markets;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the relevant Management Committees,

HAS ADOPTED THIS REGULATION:

Article 1

These provisionbs shall apply only to licences for products or goods for which no special supply arrangement is laid down in Regulation (EEC) No 1601/92.
