COUNCIL REGULATION (EEC) No 2049/92

of 30 June 1992

fixing the guide price for flax seed for the 1992/93 marketing year

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Articles 89 (1) and 234 (2) thereof,

Having regard to Council Regulation (EEC) No 569/76 of 15 March 1976 laying down special measures for flax seed [1], and in particular Article 1 (1) and (3) thereof,

Having regard to the proposal from the Commission [2],

Having regard to the opinion of the European Parliament [3],

Having regard to the opinion of the Economic and Social Committee [4],

Whereas, when the guide price for flax seed is fixed every year, account has to be taken of the objectives of the common agricultural policy; whereas the objectives of the common agricultural policy are, in particular, to ensure a fair standard of living for the agricultural community and to ensure that supplies are available and reach consumers at reasonable prices;

Whereas the first subparagraph of Article 1 (1) of Regulation (EEC) No 569/76 provides more specifically that this price shall be fixed at a level which is fair to producers, account being taken of the supply requirements of the Community;

Whereas, in accordance with these criteria, the guide price should be fixed at the levels shown in this Regulation;

Whereas, under Article 68 of the Act of Accession, a price level differing from that of the common prices has been applied in Spain; whereas, pursuant to Article 70 (1) of the Act of Accession, the Spanish prices should be aligned on the common prices each year at the beginning of the marketing year; whereas the rules laid down for this alignment give the Spanish prices set out below;

Whereas the guide price must be fixed for a standard quality to be determined by reference to the average quality of seeds harvested in the Community; whereas the quality laid down for the 1991/92 marketing year meets this requirement and can accordingly be used for the following marketing year,

HAS ADOPTED THIS REGULATION:
