Whereas, under Article 19a (1) of Regulation (EEC) No 1035/72, if, for a given product on one of the representative markets referred to in Article 17 (2) of that Regulation, the prices communicated to the Commission pursuant to paragraph 1 of that same Article remain below the buying-in price, plus 5 % of the basic price, for two consecutive market days, the Commission shall without delay record that the market in the product in question is in a state of serious crisis;

Whereas this situation has arisen in Spain as from 16 July 1992 and in Portugal as from 17 July 1992 for peaches; whereas it should consequently be recorded that the market in this product is in a state of serious crisis,
