COMMISSION REGULATION (EEC) No 2218/92

of 31 July 1992

fixing the export refunds on eggs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2771/75 of 29 October 1975 on the common organization of the market in eggs [1], as last amended by Regulation (EEC) No 1235/89 [2], and in particular the first sentence of the fifth subparagraph of Article 9 (2) thereof,

Whereas Article 9 of Regulation (EEC) No 2771/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Council Regulation (EEC) No 2774/75 [3] lays down general rules for granting export refunds and criteria for fixing the amount of such refunds;

Whereas the present market situation in certain third countries and that regarding competition on particular third country markets make it necessary to fix a refund differentiated by destination for certain products in the egg sector;

Whereas Council Regulation (EEC) No 1432/92 [4], as amended by Regulation (EEC) No 2015/92 [5], prohibits trade between the Community and the Republics of Serbia and Montenegro; whereas this prohibition does not apply to certain situations as given in the limitative enumeration laid down in Articles 2 and 3; whereas this should be taken into account when refunds are fixed;

Whereas, if the refund system is to operate normally, refunds should be calculated on the following basis:

— in the case of currencies which are maintained in relation to each other at any given moment within a band of 2,25 %, a rate of exchange based on their central rate, multiplied by the corrective factor provided for in the last paragraph of Article 3 (1) of Council Regulation (EEC) No 1676/85 [6], as last amended by Regulation (EEC) No 2205/90 [7];

— for the other currencies, an exchange rate based on an average of the ecu rates published in the *Official Journal of the European Communities*, C series, over a period to be determined, multiplied by the coefficient referred to in the preceding indent;

Whereas it follows from applying these rules and criteria to the present situation on the market in eggs that the refund should be fixed at an amount which would permit Community participation in world trade and would also take account of the nature of these exports and their importance at the present time;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Poultrymeat and Eggs,

HAS ADOPTED THIS REGULATION:

Article 1

The list of codes of products for which, when they are exported, the export refund referred to in Article 9 of Regulation (EEC) No 2771/75 is granted, and the amount of that refund shall be as shown in the Annex hereto.

Article 2

This Regulation shall enter into force on 4 August 1992.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 31 July 1992.

For the Commission

Ray MAC SHARRY

Member of the Commission
