of 27 August 1992
on the supply of refined sunflower oil as food aid

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3972/86 of 22 December 1986 on food-aid policy and food-aid management (1), as last amended by Regulation (EEC) No 1930/90 (2), and in particular Article 6 (1) (c) thereof,

Whereas Council Regulation (EEC) No 1420/87 of 21 May 1987 laying down implementing rules for Regulation (EEC) No 3972/86 on food-aid policy and food-aid management (3) lays down the list of countries and organizations eligible for food-aid operations and specifies the general criteria on the transport of food aid beyond the fob stage;

Whereas, following the taking of a number of decisions on the allocation of food aid, the Commission has allocated to certain countries and beneficiary organizations 948 tonnes of refined sunflower oil;

Whereas it is necessary to make these supplies in accordance with the rules laid down by Commission Regulation (EEC) No 2200/87 of 8 July 1987 laying down general rules for the mobilization in the Community of products to be supplied as Community food aid (4), as amended by Regulation (EEC) No 790/91 (5); whereas it is necessary to specify the time limits and conditions of supply and the procedure to be followed to determine the resultant costs;

Whereas, notably for logistical reasons, certain supplies are not awarded within the first and second deadlines for submission of tenders; whereas, in order to avoid republication of the notice of invitation to tender, a third deadline for submission of tenders should be opened,
