COMMISSION REGULATION (EEC) No 2722/92

of 18 September 1992

reintroducing the levying of the customs duties applicable to a number of products originating in the Czech and Slovak Federal Republic, to which the tariff ceilings of Council Regulation (EEC) No 521/92 apply

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 521/92 of 27 February 1992 opening and providing for the administration of Community tariff quotas and ceilings for certain agricultural and industrial products originating in Hungary, Poland and the Czech and Slovak Federal Republic (1), and in particular Articles 1 and 3 thereof,

Whereas, in pursuance of Article 1 of that Regulation, Hungary, Poland and the Czech and Slovak Federal Republic shall benefit from preferential tariff arrangements, in particular the preferential tariff ceilings laid down in column 5 of Annex I of that Regulation; whereas, under Article 3 of that Regulation, as soon as the ceilings have been reached, the Commission may adopt a Regulation reintroducing the customs duties applicable to the third countries in question until the end of the calendar year;

Whereas imports into the Community of those products, originating in the Czech and Slovak Federal Republic, have reached that ceiling; whereas the situation on the Community market requires that customs duties applicable to this country on the products in question be reimposed,

HAS ADOPTED THIS REGULATION:

Article 1

From 22 September to 31 December 1992, the levying of customs duties resulting from the association agreement between the European Economic Community and the Czech and Slovak Federal Republic shall be reimposed on imports into the Community of the products listed in the Annex, originating in the Czech and Slovak Federal Republic.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.
