COUNCIL REGULATION (EEC) No 2794/92

of 21 September 1992

amending for the second time Regulation (EEC) No 4028/86 on Community measures to improve and adapt structures in the fisheries and aquaculture sector

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community, and in particular Articles 42 and 43 thereof,

Having regard to the Act of Accession of Spain and Portugal, and in particular Article 155 (2) (a) thereof,

Having regard to the proposal from the Commission (1),

Having regard to the Opinion of the European Parliament (2),

Having regard to the Opinion of the Economic and Social Committee (3),

Whereas the new statistics available show that the five new Länder of unified Germany may, as far as aquaculture is concerned, be regarded as less-developed Community regions in respect of which Council Regulation (EEC) No 4028/86 of 18 December 1986 on Community measures to improve and adapt structures in the fisheries and aquaculture sector (4), provides for a higher rate of Community aid;

Whereas Ceuta and Melilla qualify as regions which may receive the maximum level of aid for aquaculture;

Whereas Regulation (EEC) No 4028/86 provides for the maximum level of Community aid for Mecklenburg-Vorpommern and for Ceuta-Melilla for measures aimed at the restructuring, renewal, and modernization of the fishing fleet;

Whereas the regions in question should, accordingly, be included in Annex III to Regulation (EEC) No 4028/86,

HAS ADOPTED THIS REGULATION:

Article 1

Done at Brussels, 21 September 1992.
