COMMISSION REGULATION (EEC) No 2989/92
of 15 October 1992
laying down detailed implementing rules for the specific measures for supplying the French overseas departments with products from the pigmeat sector

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3763/91 of 16 December 1991 introducing specific measures in respect of certain agricultural products for the benefit of the French overseas departments ([1]), and in particular Article 4 (5) thereof,

Having regard to Council Regulation (EEC) No 1676/85 of 11 June 1985 on the value of the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy ([2]), as last amended by Regulation (EEC) No 2205/90 ([3]), and in particular Article 12 thereof,

Whereas, in application of Article 4 of Regulation (EEC) No 3763/91, it is necessary to determine for the pigmeat sector for each annual period of validity, the number of pure-bred breeding swine originating in the Community which benefit from an aid with a view to developing the potential for production in the French overseas departments;

Whereas it is appropriate to fix the amount of aid referred to above for the supply to the French overseas departments of pure-bred breeding swine originating in the rest of the Community; whereas such aid must be fixed taking into account, in particular, the cost of supply from the world market, the conditions resulting from the geographical situation of the French overseas departments and the basis of the current prices on export to third countries for the animals or products concerned;

Whereas the common detailed rules for implementing the share for supplying the French overseas departments with certain agricultural products were laid down by Commission Regulation (EEC) No 131/92 ([4]), as amended by Regulation (EEC) No 2132/92 ([5]); whereas it is appropriate to lay down additional detailed rules in line with current commercial practice in the pigmeat sector, in particular regarding the duration of the validity of aid certificates and the amount of securities ensuring operators' compliance with their obligations;

([4]) OJ No L 15, 22. 1. 1992, p. 13.
([5]) OJ No L 213, 29. 7. 1992, p. 25.

Whereas with a view to sound management of the supply scheme, provision should be made for a timetable for the lodging of certificate applications and for a period of reflection for their issue;

Whereas Article 3 (4) of Regulation (EEC) No 131/92 stipulates that the amount of the aid is that in force on the day the application for the 'aid certificate' is lodged; whereas, therefore, provision should be made for the conversion rate to be used for payment of the aid and for the lodging of a security for the certificate, to be the agricultural conversion rate in force on the day on which the application for a certificate is lodged;
