Whereas, pursuant to Article 3 of the abovementioned Regulation (EEC) No 3835/90, amongst others, carnations with CN code ex 0603 10 53, originating in Colombia, are allowed to be imported into the Community free of duty; whereas to these products the provisions of Articles 7 to 12 of Regulation (EEC) No 3833/90 are applied;

Whereas, pursuant to Article 7 of that Regulation, the customs duties applied in the Community can partially or wholly be reintroduced, if the importations of the abovementioned products are made into the Community in such quantities that they bring or threaten to bring a severe prejudice to Community producers of similar or directly competitive products;

Whereas the preferential imports of certain carnations from Colombia are made in such quantities that they threaten to bring a grave prejudice to Community producers of these products; whereas, from this fact, it is appropriate to reintroduce a partial levying, as soon as possible, of common customs duties in their regard,
