# COMMISSION REGULATION (EEC) No 3245/92

## of 6 November 1992

## on arrangements for imports into the Community of certain textile products (category 1) originating in Indonesia

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 4136/86 of 22 December 1986 on common rules for imports of certain textile products originating in third countries (1), as last amended by Regulation (EEC) No 1539/92 (2), and in particular Article 11 thereof,

Whereas Article 11 of Regulation (EEC) No 4136/86 lays down the conditions under which quantitative limits may be established; whereas imports into the Community of certain textile products (category 1) specified in the Annex hereto and originating in Indonesia have exceeded the level referred to in paragraph 2 of the said Article 11;

Whereas, in accordance with paragraph 5 of the said Article 11 of Regulation (EEC) No 4136/86, on 6 August 1992, Indonesia was notified of a request for consultations; whereas, pending a mutually satisfactory solution, importations into the Community of category 1 products have been submitted to provisional limits for the period 6 August to 5 November 1992 by Commission Regulation (EEC) No 2544/92 (3);

Whereas, as in consultations held on 7 and 8 October and 3 and 4 November 1992, the two sides were unable to reach a mutually satisfactory solution, the Community, in accordance with Article 11 (7) of Regulation (EEC) No 4136/86 introduces definitive quantity limits for textile products of category 1 from Indonesia for the period 6 August to 31 December 1992;

Whereas paragraph 13 of the said Article 11 of Regulation (EEC) No 4136/86 ensures that the quantitative limits are observed by means of a double-checking system in accordance with Annex VI to the said Regulation;

Whereas the products in question exported from Indonesia to the Community between 6 August and 31 December 1992 must be set off against the Community quantitative limits for the period 6 August to 31 December 1992;

Whereas these quantitative limits should not prevent the importation of products covered by them shipped from Indonesia to the Community before the date of entry into force of Regulation (EEC) No 2544/92;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Textile Committee,

HAS ADOPTED THIS REGULATION:

*Article 1*

Without prejudice to the provisions of Article 2 imports into the Community of the category of products originating in Indonesia and specified in the Annex hereto shall be subject to the quantitative limits set out in that Annex, for the period 6 August to 31 December 1992.

*Article 2*

1. Products referred to in Article 1 shipped from Indonesia to the Community before the date of entry into force of Regulation (EEC) No 2544/92 and not yet released for free circulation, shall be so released subject to the presentation of a bill of lading or other transport document proving that shipment actually took place during that period.

2. Imports of products shipped from Indonesia to the Community after the entry into force of Regulation (EEC) No 2544/92 shall continue to be subject to the double-checking system described in Annex VI to Regulation (EEC) No 4136/86.

3. All quantities of products shipped from Indonesia to the Community on or after 6 August 1992 and released for free circulation shall be deducted from the quantitative limits laid down in the Annex to this Regulation for the period 6 August to 31 December 1992. This provisional limit shall not, however, prevent the importation of products covered by them but shipped from Indonesia before the date of entry into force of Regulation (EEC) No 2544/92.

Regulation (EEC) No 2544/92 is hereby repealed.

*Article 4*
