of 26 November 1992

Whereas Article 252 (1) of the Act of Accession makes provision for the Commission to take the interim protective measures necessary if the indicative ceiling for the year in course or part of it is reached or exceeded;

Whereas the licence applications lodged between 16 and 19 November 1992 are for a quantity in excess of that set for the months of November and December 1992 for Portugal for live animals; whereas as an interim protective measure only a percentage of the amounts applied for in that period should be granted and no further certificates issued for the time being,
