COMMISSION REGULATION (EEC) No 3460/92

of 30 November 1992

amending Regulation (EEC) No 3062/92 adopting exceptional support measures for the market in pigmeat in the Netherlands

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat (1), as last amended by Regulation (EEC) No 1249/89 (2), and in particular Article 20 thereof,

Whereas, on account of an outbreak of swine vesicular disease in a production region in the Netherlands, exceptional measures to support the market for pigmeat were adopted with regard to that Member State by Commission Regulation (EEC) No 3062/92 (3), as amended by Regulation (EEC) No 3252/92 (4), to permit the submission of private storage aid applications from 26 October to 13 November 1992 for products from the protection zone referred to in the Annex to Commission Decision 92/478/EEC (5);

Whereas Community veterinary measures adopted by that Decision expired on 15 November 1992; whereas, however, as a result of national veterinary measures the restrictions of the free movement of live pigs from a limited protection zone decreed by the Netherlands authorities and of meat of such pigs remain in force until 29 November 1992; whereas the final date laid down for the granting of private storage aid pursuant to Regulation (EEC) No 3062/92 should accordingly be extended, the measure should continue to apply uninterruptedly until 27 November 1992 and the definition of the protection zone laid down in that Regulation should be amended;
