THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3831/90 of 20 December 1990 applying generalized tariff preferences for 1991 in respect of industrial products originating in developing countries (1), extended into 1992 by Regulation (EEC) No 3587/91 (2), and in particular the second paragraph of Article 9 thereof,

Whereas, in pursuance of Article 1 of Regulation (EEC) No 3831/90, customs duties on certain products originating in each of the countries or territories listed in Annex III are totally suspended for 1992, and the products as such are, as a general rule, subject to statistical surveillance every three months on the reference base referred to in Article 8 ; whereas as provided for in the second paragraph of Article 9 of the said Regulation, the Commission may take measures to stop quantities being charged against any particular preferential tariff limit if these limits were exceeded particularly as a result of regularizations of imports actually made during the preferential tariff period ;

Whereas, by virtue of Article 1 of Council Regulation (EEC) No 1509/92 (3), Poland was withdrawn from the list of beneficiaries in Annex III of Regulation (EEC) No 3831/90 as from 1 March 1992 ; whereas the preferential tariff period for that country consequently ended on 29 February 1992 ;

Whereas, in respect of the product of CN code 2523 originating in Poland, the reference base was fixed at ECU 7 837 000 ; whereas on 16 July 1992, the sum of the quantities charged during the 1992 preferential period has exceeded the reference base in question ;
