COMMISSION REGULATION (EEC) No 1286/93

of 27 May 1993

opening an invitation to tender for the refund for the export of rye to all third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2727/75 of 29 October 1975 on the common organization of the market in cereals (1), as last amended by Regulation (EEC) No 1738/92 (2),

Having regard to Council Regulation (EEC) No 2746/75 of 29 October 1975 laying down general rules for granting export refunds on cereals and criteria for fixing the amount of such refunds (3), and in particular Article 5 thereof,

Whereas, in view of the current situation on the cereals market, an invitation should be opened in respect of rye to tender for the export refund provided for in Article 5 of Regulation (EEC) No 2746/75;

Whereas the detailed procedural rules governing invitations to tender are, as regards the fixing of the export refund, in Commission Regulation (EEC) No 279/75 (4), as last amended by Regulation (EEC) No 2788/86 (5); whereas the commitments on the part of the tenderer include an obligation to lodge an application for an export licence; whereas compliance with this obligation may be ensured by requiring tenderers to lodge a tendering security of ECU 12 per tonne when they submit their tenders;

Whereas it is necessary to specify the exact duration of validity of the licences issued under this tendering procedure; whereas the period of validity must correspond to the current requirements of the world market;

Whereas on 1 July 1993 a new regulation will enter into force laying down detailed rules of application for the grant of export refunds and measures to be taken in the event of disturbances in the cereals sector; whereas successful tenderers must, when carrying out export operations from 1 July onwards, comply with the new measures concerning proof of arrival at destination which will enter into force on that date;

Whereas, in order to ensure that all those concerned are treated equally, it is necessary to lay down that the period of validity of the licences issued should be identical;

Whereas, since the interested parties are already aware of the terms of the invitation, a derogation may be made from the provisions of Regulation (EEC) No 279/75 on the period that must elapse between the date of publication and the first closing date for the submission of tenders;

Whereas, in order to ensure the smooth operation of the tendering procedure, it is appropriate to prescribe a minimum quantity to be tendered for and a time limit and form for the communication of tenders submitted to the competent authorities;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
