COMMISSION REGULATION (EEC) No 1331/93

of 28 May 1993

amending Regulation (EEC) No 537/93 fixing the coefficient reducing agricultural prices applicable from the beginning of the 1993/94 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 3813/92 of 28 December 1992 on the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy [1], and in particular Article 12 thereof,

Whereas Article 9 of Regulation (EEC) No 3813/92 provides that the prices fixed in ecus are to be reduced at the beginning of the marketing year following a monetary realignment; whereas, in order to apply this reduction, equal to a 25 % change in the correction factor referred to in Article 1 (c) of that Regulation, a reduction factor by which the agricultural prices must be divided should be fixed;

Whereas Commission Regulation (EEC) No 1209/93 [2] fixed the correction factor at 1,207509 with effect from 14 March 1993; whereas the coefficient for reducing agricultural prices fixed by Commission Regulation (EEC) No 537/93 [3] must be adjusted to take account of the monetary realignment of 13 May 1993;

Whereas the changes to the correction factors to be taken into account for calculating the coefficient for reducing agricultural prices from the next marketing year are those which have been made during the current marketing year;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the relevant management committees,
