COUNCIL REGULATION (EEC) No 1570/93

of 14 June 1993

fixing the amounts of aid for seeds for the 1994/95 and 1995/96 marketing years

THE COUNCIL OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 2358/71 of 26 October 1971 on the common organization of the market in seeds [1], and in particular Article 3 (3) thereof,

Having regard to the proposal from the Commission [2],

Having regard to the opinion of the European Parliament [3],

Having regard to the opinion of the Economic and Social Committee [4],

Whereas the present situation and the outlook on the Community market for seeds listed in the Annex to Regulation (EEC) No 2358/71 that will be sold during the 1994/95 and 1995/96 marketing years do not offer the assurance of a fair return to producers; whereas part of their costs should therefore be met by the granting of aid;

Whereas Article 3 (2) of Regulation (EEC) No 2358/71 provides that the aid shall be fixed, taking into account, on the one hand, the need to ensure a balance between the volume of production required in the Community and the possible outlets for that production and, on the other hand, the prices of the products on external markets;

Whereas the application of these criteria results in the fixing of the amounts of aid applicable for the 1994/95 and 1995/96 marketing years at the levels set out in the Annex hereto,

HAS ADOPTED THIS REGULATION:

Article 1

For the 1994/95 and 1995/96 marketing years the amounts of the aid granted for seeds referred to in Article 3 of Regulation (EEC) No 2358/71 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on the third day following its publication in the *Official Journal of the European Communities.*

It shall apply from 1 July 1994.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Luxembourg, 14 June 1993.

For the Council
The President
B. WESTH
