COMMISSION REGULATION (EEC) No 1681/93

of 30 June 1993

fixing the premiums to be added to the import levies on cereals, flour and malt

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Regulation (EEC) No 1766/92 of the Council of 30 June 1992 on the common organization of the market in cereals [1], and in particular Article 12 (4) thereof,

Having regard to Council Regulation (EEC) No 3813/92 of 28 December 1992 on the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy [2],

Whereas the scale of premiums to be added to the import levies fixed in advance for cereals must include a premium for the current month and a premium for each subsequent month and covers a period equal to or greater than the period of validity of the licences;

Whereas, pursuant to Article 4 of Commission Regulation (EEC) No 1621/93 [3], where the cif price for the products listed in Article 1 (1) (a), (b) and (c) of Regulation (EEC) No 1766/92 exceeds the cif forward delivery price for the same cereal, the premium must be fixed at an amount equal to the difference between the two prices; whereas the cif price is that established in accordance with Article 10 of Regulation (EEC) No 1766/92;

Whereas this price must be the cif price for shipment during the month preceding the month in which importation is expected to take place in the case of imports to be effected during the last two months for which the import licence is valid;

Whereas the premium shall be ECU 0 if the cif price determined on the day on which the premiums are fixed is equal to the cif forward delivery price or exceeds that price by not more than ECU 1 per tonne;

Whereas pursuant to Article 6 of Regulation (EEC) No 1621/93, a premium is added to the levy fixed in advance for products falling within CN code 1107; whereas this premium must be fixed by applying the coefficients referred to in Article 3 of Regulation (EEC) No 1621/93 to the premiums fixed for the basic cereal;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92 are used for converting the amount expressed in the currency of third countries and are the basis for calculating the agricultural conversion rates of the Member States' currencies; whereas the detailed rules for determining and applying the said conversions are laid down in Commission Regulation (EEC) No 1068/93 [4];

Whereas, in order to make it possibile for the levy arrangements to function normally, the representative market rate established during the reference period from 29 June 1993, as regards floating currencies, should be used to calculate the levies;

Whereas it follows from applying all these provisions that the premiums should be as set out in the Annex hereto; whereas the amount of the premiums should be altered only if application of the abovementioned provisions entails a change of more than 1,00 ECU,

HAS ADOPTED THIS REGULATION:

Article 1

The premiums to be added to the levies fixed in advance for imports of the products listed in Article 1 (1) (a), (b) and (c) of Regulation (EEC) No 1766/92 shall be as set out in the Annex hereto.

Article 2

This Regulation shall enter into force on 1 July 1993.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
