COMMISSION REGULATION (EEC) No 210/93

of 1 February 1993

amending Regulation (EEC) No 1728/92 laying down detailed rules for implementation of the specific arrangements for the supply of cereal products to the Canary Islands and establishing the forecast supply balance

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1601/92 of 15 June 1992 concerning specific measures for the Canary Islands with regard to certain agricultural products [1], as amended by Regulation (EEC) No 3714/92 [2], and in particular Article 3 (4) thereof,

Whereas, pursuant to Article 2 of Regulation (EEC) No 1601/92, Commission Regulation (EEC) No 1728/92 [3] establishes a forecast supply balance for cereal products for the Canary Islands; whereas that balance allows for interchange of the quantities determined for the products in question and, if necessary, adjustment during the year of the overall quantity determined, in line with regional requirements; whereas, on the basis of experience and in order to satisfy cereal requirements in the region concerned, it has proved necessary to make adjustments to the forecast balance; whereas the Annex to Regulation (EEC) No 1728/92 should accordingly be amended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:

Article 1

The Annex to Regulation (EEC) No 1728/92 is hereby replaced by the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the day of following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 1 February 1993.

For the Commission
René STEICHEN
Member of the Commission
