of 6 October 1993

Whereas Article 85 (1) of the Act of Accession makes provision for the Commission to take the interim protective measures necessary if the indicative ceiling for the year in course or part of it is reached or exceeded;

Whereas the licence applications lodged between 4 and 6 October 1993 are for a quantity in excess of that set for the months of September and October 1993 for Spain for live animals; whereas as an interim protective measure no further certificates should be issued for the time being,

HAS ADOPTED THIS REGULATION:
