# COMMISSION REGULATION (EEC) No 3003/93

## of 29 October 1993

## fixing the export refunds on cereal-based compound feedingstuffs

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals (1), as amended by Regulation (EEC) No 2193/93 (2), and in particular the third subparagraph of Article 13 (4) thereof,

Whereas Article 13 of Regulation (EEC) No 1766/92 provides that the difference between quotations or prices on the world market for the products listed in Article 1 of that Regulation and prices for those products within the Community may be covered by an export refund;

Whereas Commission Regulation (EEC) No 1913/69 of 29 September 1969 on the granting and the advance fixing of the export refund on cereal-based compound feedingstuffs (3), as last amended by Regulation (EEC) No 3630/91 (4), provides that calculation of the export refund must take account of, in particular, the averages of the refunds granted and the levies calculated on the most commonly used basic cereals, adjusted on the basis of the threshold price in force during the current month; whereas that calculation must also take account of the cereal products content; whereas, therefore, in the interest of simplification, compound feedingstuffs should be placed in categories and the refund for each category should be fixed on the basis of the quantity of cereal products content for the category concerned; whereas, furthermore, the amount of the refund must also take into account the possibilities and conditions for the sale of those products on the world market, the need to avoid disturbances on the Community market and the economic aspect of the export;

Whereas, however, in fixing the rate of refund it would seem advisable to base it at this time on the difference in the cost of raw inputs widely used in compound feedingstuffs as between the Community and world markets, allowing more accurate account to be taken of the commercial conditions under which such products are exported;

Whereas, under the terms of Article 4 of Commission Regulation (EEC) No 1619/93 (5), the refund may be varied on the basis of the destination;

Whereas the representative market rates defined in Article 1 of Council Regulation (EEC) No 3813/92 (6), are used to convert amounts expressed in third country currencies and are used as the basis for determining the agricultural conversion rates of the Member States' currencies; whereas detailed rules on the application and determination of these conversions were set by Commission Regulation (EEC) No 1068/93 (7);

Whereas the refund must be fixed once a month; whereas it may be altered in the intervening period;

Whereas Council Regulation (EEC) No 990/93 (8) prohibits trade between the European Economic Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof; whereas account should be taken of this fact when fixing the refunds;

Whereas, pursuant to the abovementioned provisions, the refunds should be as set out in the Annex hereto;

Whereas the Management Committee for Cereals has not delivered an opinion within the time limit set by its chairman,

HAS ADOPTED THIS REGULATION:

*Article 1*
