COMMISSION REGULATION (EC) No 3054/93

of 4 November 1993

adopting interim protective measures on applications for STM licences in the beef and veal sector submitted for trade with Spain from 5 November 1993

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the Act of Accession of Spain and Portugal, and in particular Articles 85 (1) and 252 (1) thereof,

Whereas Commission Regulation (EEC) No 1112/93 of 6 May 1993 laying down detailed rules for the application of the supplementary trade mechanism in the beef and veal sector between the Community as constituted at 31 December 1985 and Spain and Portugal and repealing Regulations (EEC) No 3810/91 and (EEC) No 3829/92 [1], as amended by Regulation (EEC) No 2628/93 [2], set the indicative ceilings applicable in the beef and veal sector and the maximum quantities for which STM licences may be issued in November and December 1993;

Whereas Article 85 (1) of the Act of Accession makes provision for the Commission to take the interim protective measures necessary if the indicative ceiling for the year in course or part of it is reached or exceeded;

Whereas an examination of licence application lodged from 1 to 4 November 1993 shows that the quantities applied for are likely to bring about a serious disturbance of the market for live animals; whereas, as an interim protective measure, licences should only be issued for up to a given percentage of the quantities applied for,

HAS ADOPTED THIS REGULATION:

Article 1

For live animals of the bovine species, other than purebred breeding animals and animals for bullfights:

1. the issuing of STM licences in response to applications submitted from 5 November 1993 onwards is suspended for the time being;
2. further applications may be submitted from 29 November 1993.

Article 2

This Regulation shall enter into force on 5 November 1993.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 4 November 1993.
