determining the quantities of certain categories of milk and milk products available for the first quarter of 1994 under the arrangements provided for in the Interim Agreements concluded by the Community with the Republic of Poland, the Republic of Hungary and the former Czech und Slovak Federal Republic

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EEC) No 584/92 of 6 March 1992 laying down detailed rules for the application to milk and milk products of the arrangements provided for in the Interim Agreements between the Community and the Republic of Poland, the Republic of Hungary and the Czech and Slovak Federal Republic [1], amended by Regulation (EEC) No 2658/93 [2], and in particular Article 4 (5) thereof,

Whereas, pursuant to Commission Regulation (EEC) No 1925/93 [3] determining the extent to which applications lodged in October 1993 for import licences for certain milk products and products covered by the arrangements provided for in the Interim Agreements concluded by the Community with the Republic of Poland, the Republic of Hungary and the Czech and Slovak Federal Republic can be accepted, applications for import licences for certain of the products referred to in Regulation (EEC) No 584/92 were for quantities exceeding those available and for other products for quantities less than those available; whereas, therefore the quantity of each product available for the period from 1 January to 31 March 1994 should be fixed;

Whereas declarations have been submitted by both the Czech Republic and the Slovak Republic informing the Community that both those countries shall continue to assume all the obligations deriving, *inter alia,* from the Interim Agreements between the Community and the Czech and Slovak Federal Republic upon the dissolution of the latter on 31 December 1992 and in consequence the concessions provided for in the Interim Agreement should be accorded without distinction to products originating in the Czech Republic or in the Slovak Republic,

HAS ADOPTED THIS REGULATION:
