COMMISSION REGULATION (EC) No 3074/93

of 8 November 1993

amending Regulation (EEC) No 845/93 laying down the regional base areas applicable under the support system for producers of certain arable crops

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1765/92 of 30 June 1992 establishing a support system for producers of certain arable crops [1], as last amended by Regulation (EEC) No 1552/93 [2], and in particular Article 1 thereof,

Whereas Commission Regulation (EEC) No 845/93 [3] lays down the base areas applicable under the support system for producers of certain arable crops; whereas in the United Kingdom separate base areas were laid down for the LFA in Scotland and for other land in Scotland; whereas as a result of errors in the statistical data, the subdivision of the Scottish area into the 'LFA' and the 'non-LFA' regions was incorrect; whereas it is necessary to amend the base areas laid down for Scotland in accordance with the correct statistical data, with effect from the 1993/94 marketing year;

Whereas the relevant management committees have not delivered opinions within the time limit set by their chairmen,

HAS ADOPTED THIS REGULATION:

Article 1
