COMMISSION REGULATION (EC) No 1472/94

of 27 June 1994

establishing Projected Regional Reference Amounts, and the value of the advance payments to be made to producers of soya beans, rape seed, colza seed and sunflower seed, for the 1994/95 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1765/92 of 30 June 1992 [1], as amended by Regulation (EC) No 232/94 [2], establishing a support system for producers of certain arable crops, and in particular Article 12 thereof,

Whereas Article 5 (1) (c) of Council Regulation (EEC) No 1765/92 specifies that the Commission shall establish a Projected Regional Reference Amount for each region identified in a Member State's Regionalization Plan on the basis of a comparison between the cereals or oilseeds yields for that region and the Community's average cereal or oilseed yield; whereas, in cases where a Member State limits eligibility for irrigated compensatory payments in a region to a single oilseed crop, pursuant to Article 3 (2) of Regulation (EEC) No 1765/92, specific Projected Regional Reference Amounts for irrigated and non-irrigated sowings of that oilseed need to be established; whereas these specific Reference Amounts shall be calculated, taking into consideration the Projected Regional Reference Amounts and the average yield and cultivated area of irrigated and non-irrigated cereals or oilseeds, as specified by the Member State, for the region concerned; whereas, in establishing the specific Reference Amounts, the average yield for the region concerned must be respected;

Whereas Article 11 (2) of Council Regulation (EEC) No 1765/92 specifies that producers who apply for an oilseeds compensatory payment shall be entitled to an advance payment of no more than 50 % of the appropriate Projected Regional Reference Amount;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Oils and Fats,

HAS ADOPTED THIS REGULATION:

Article 1

1. A succinct explanation of the calculation of the Projected Regional Reference Amounts, as required by Article 5 (3) of Regulation (EEC) No 1765/92, is given in Annex I.

2. The Projected Regional Reference Amounts for the 1994/95 marketing year shall be as given in Annex II.

Article 2

Without prejudice to the provisions adopted by Member States pursuant to Commission Regulation (EC) No 3408/93 [3], the advance payments to be made to producers of oilseeds under the terms of Article 11 (2) of Regulation (EEC) No 1765/92 shall, for the 1994/95 marketing year, be of a value equal to 50 % of the appropriate Projected Regional Reference Amount given in Annex II.

Article 3

This Regulation shall enter into force on the seventh day following its publication in the *Official Journal of the European Communities.*

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 27 June 1994.

For the Commission

ANNEX I

A succinct explanation of the calculation of the Projected Regional Reference Amounts for producers of oilseeds in the 1994/95 marketing year

The Projected Regional Reference Amounts have been calculated in accordance with the provisions of Article 5 (1) (c) of Regulation (EEC) No 1765/92.

In calculating these amounts the Commission has respected the information supplied by the Member States pursuant to Article 3 (2) of the same Regulation, and the choice of whether the comparison of yields is based on cereals or oilseeds pursuant to Article 5 (1) (c) of the same Regulation.

The Projected Regional Reference Amounts for the 1994/95 marketing year are given in Annex II.
