COMMISSION REGULATION (EC) No 2211/94

of 12 September 1994

laying down detailed rules for the implementation of Council Regulation (EEC) No 3759/92 as regards the notification of the prices of imported fishery products

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) 3759/92 of 17 December 1992 on the common organization of the market in fishery and aquaculture products [1], as last amended by Regulation (EEC) No 1891/93 [2], and in particular Articles 22 (6) and 23 (5) thereof,

Whereas Article 22 (3) of Regulation (EEC) No 3759/92 requires Member States to notify to the Commission the prices of certain imported fish and fish products; whereas the exact price to be notified should be defined; whereas the frequency and form of such notifications should be specified; whereas it should be settled which are the markets or ports where the volumes of trade are such that they are representative of the terms of trade in general and where these prices should therefore be recorded;

Whereas this present Regulation should replace Commission Regulation (EEC) 3191/82 of 29 November 1982 laying down detailed rules for the application of the reference price system for fishery products [3], as amended by Regulation (EEC) No 3474/85 [4];

Whereas Article 4 of Commission Regulation (EEC) No 1985/74 of 25 July 1974 laying down detailed rules of application for the fixing of reference prices and free-at-frontier prices for carp [5], as amended by Regulation (EEC) No 2046/85 [6], requires Member States to notify the Commission of the free-at-frontier prices of carp; whereas this requirement can usefully be included in this Regulation and Article 4 of Regulation (EEC) No 1985/74 should accordingly be deleted;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION:
