COMMISSION REGULATION (EC) No 2213/94

of 12 September 1994

amending Regulation (EC) No 2162/94 to increase to 682 000 tonnes the quantity of barley held by the United Kingdom intervention agency and covered by a standing invitation to tender for export and repealing Regulations (EC) No 995/94 and (EC) No 997/94

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992 on the common organization of the market in cereals [1], as last amended by Regulation (EC) No 1866/94 [2], and in particular Article 5 thereof,

Having regard to Commission Regulation (EEC) No 2131/93 of 28 July 1993 laying down the procedure and conditions for the sale of cereals held by intervention agencies [3], as amended by Regulation (EC) No 120/94 [4],

Whereas Commission Regulation (EC) No 2162/94 of 2 September 1994 [5] opens a standing invitation to tender for the export of 300 000 tonnes of barley held by the United Kingdom intervention agency; whereas in a note of 1 September 1994, the United Kingdom informed the Commission of the intention of its intervention agency to increase by 382 000 tonnes the quantity covered by the standing invitation to tender for export; whereas that increase is equivalent to the quantities covered by invitations to tender under Commission Regulations (EC) No 995/94 [6] and (EC) No 997/94 [7], as last amended by Regulation (EC) No 1689/94 [8]; whereas the detailed rules laid down in Regulation (EC) No 2162/94 should apply to the latter; whereas, as a consequence, the total quantity of barley held by the United Kingdom intervention agency and covered by the standing invitation to tender for export should be increased to 682 000 tonnes and Regulations (EC) No 995/94 and (EC) No 997/94 should be repealed;

Whereas this increase in the quantity put out to tender makes it necessary to alter the list of regions and quantities in store; whereas Annex I to Regulation (EC) No 2162/94 must therefore be amended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
