COMMISSION REGULATION (EC) No 2429/94

of 6 October 1994

concerning imports of certain processed mushroom products originating in third countries

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1796/81 of 30 June 1981 on measures applicable to imports of mushrooms of the species *Agaricus* spp. falling within CN codes 0711 90 40, 2003 10 20 and 2003 10 30 [1], as last amended by Regulation (EEC) No 1122/92 [2], and in particular Article 6 thereof,

Whereas Article 3 (3) of Regulation (EEC) No 1796/81 lays down that the quantity which may be imported free of the additional amount must be allocated among the supplier countries, account being taken of traditional trade flows and of new suppliers;

Whereas Article 3 (3) of Commission Regulation (EEC) No 1707/90 of 22 June 1990 laying down detailed rules for the application of Regulation (EEC) No 1796/81 on imports of preserved cultivated mushrooms from third countries [3], as last amended by Regulation (EC) No 1901/94 [4], allocates the quantity which may be imported free of the additional amount among the supplier countries; whereas Article 3 (1) of that Regulation provides for the possibility of reviewing the allocation on the basis of the certificates issued during the first six months of the year in question; whereas the supply situation as revealed by certificates issued at 30 June 1994 appears to justify a new allocation of the quantity concerned for the current year;

Whereas Commission Regulation (EC) No 1415/94 of 21 June 1994 on the issuing of import licences for certain processed mushroom products originating in China [5], suspends the issuing of licences which may qualify for exemption from the additional amount provided for in Article 2 of Regulation (EEC) No 1796/81; whereas that Regulation should be repealed;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Products Processed from Fruit and Vegetables,

HAS ADOPTED THIS REGULATION:

Article 1

Article 2

Regulation (EC) No 1415/94 is hereby repealed.

Article 3
