COMMISSION REGULATION (EC) No 2568/94

of 21 October 1994

determining the extent to which applications lodged in October 1994 licences for certain eggs and poultrymeat products under the regime provided for by the Interim Agreements concluded by the Community with the Republic of Poland, the Republic of Hungary, the Czech Republic and the Slovak Republic can be accepted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EEC) No 2699/93 of 30 September 1993 laying down detailed rules for the application in the eggs and poultrymeat sector of the regime provided for by the Interim Agreements concluded by the Community with the Republic of Poland, the Republic of Hungary, the former Czech and Slovak Federal Republic [1], as amended by Regulation (EC) No 3549/93 [2], and in particular Article 4 (5),

Whereas the applications for import licences lodged for the fourth quarter of 1994 are, in the case of some products, for quantities less than or equal to the quantities available and can therefore be met in full, but in the case of other products the said applications are for quantities greater than the quantities available and must therefore be reduced by a fixed percentage to ensure a fair distribution,

HAS ADOPTED THIS REGULATION:

Article 1

Applications for import licences for the period 1 October to 31 December 1994 submitted under Regulation (EEC) No 2699/93 shall be met as referred to the Annex.

Article 2

This Regulation shall enter into force on 22 October 1994.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 21 October 1994.

For the Commission

René STEICHEN

Member of the Commission
