of 7 January 1994

on the issuing of import licences for certain processed mushroom products originating in third countries other than Poland

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1796/81 of 30 June 1981 on measures applicable to imports of mushrooms of *Agaricus* spp. falling within CN codes 0711 90 40, 2003 10 20 and 2003 10 30 [1], as amended by Regulation (EEC) No 1122/92 [2],

Having regard to Commission Regulation (EEC) No 1707/90 of 22 June 1990 laying down detailed rules for the application of Regulation (EEC) No 1796/81 on imports of mushrooms from third countries [3], as last amended by Regulation (EC) No 3453/93 [4], and in particular Article 5 (8) thereof,

Whereas Article 5 (4) of Regulation (EEC) No 1707/90 allocates 20 % of the total quantity laid down in Article 3 (3) of Regulation (EEC) No 1796/81 to new importers; whereas Article 5 (8) of Regulation (EEC) No 1707/90 provides that if the quantities for which licences have been applied for exceed the balance available, the Commission is to fix a single percentage figure by which the quantities applied for are to be reduced and suspend the issuing of licences in response to subsequent applications;

Whereas quantities applied by new importers on 3 and 4 January 1994 exceed the quantities available for third countries other than Poland; whereas the extent to which licences may be issued may accordingly be determined;

Whereas the quantities for which licences will be issued will reach the amount of 5 756 tonnes; whereas the issuing of licences qualifying for the exemption from the additional amount provided for in Article 2 of Regulation (EEC) No 1796/81 should accordingly be suspended for new importers,
