COMMISSION REGULATION (EC) No 281/94

of 8 February 1994

adjusting the prices fixed in ecus in the fishery products sector for the 1994 fishing year as a result of the monetary realignments

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 3813/92 of 28 December 1992 on the unit of account and the conversion rates to be applied for the purposes of the common agricultural policy [1], as amended by Regulation (EC) No 3528/93 [2], and in particular Article 9 (1) thereof,

Having regard to Council Regulation (EEC) No 3824/92 of 28 December 1992 laying down the prices and amounts fixed in ecus to be amended as a result of the monetary realignments [3], as last amended by Regulation (EEC) No 1663/93 [4], and in particular Article 2 thereof,

Whereas Regulation (EEC) No 3824/92 establishes the list of prices and amounts in the fishery products sector to which the coefficient 1,002583, fixed by Commission Regulation (EEC) No 537/93 [5], as amended by Regulation (EEC) No 1331/93 [6], is applied; whereas Article 2 of Regulation (EEC) No 3824/92 lays down that the resulting reduction in the prices and amounts should be specified for each sector concerned and the value of those reduced prices should be fixed;

Whereas the above coefficient must also be applied to the amount fixed in ecus by Council Regulation (EEC) No 1658/93 of 24 June 1993 setting up a specific measure in favour of cephalopod producers permanently based in the Canary Islands [7], since it is an aid to producers;

Whereas, for the 1994 fishing year, the guide prices for fishery products have been fixed by Council Regulations (EC) No 3353/93 [8] and (EC) No 3354/93 [9]; whereas the Community producer price for tuna has been fixed by Council Regulation (EC) 3355/93 [10]; whereas the Community withdrawal and selling prices have been fixed by Commission Regulation (EC) No 3595/93 [11]; whereas the reference prices have been fixed by Commission Regulation (EC) No 3601/93 [12]; whereas the flat-rate value for the products withdrawn from the market used to calculate the financial compensation and the relevant advance have been fixed by Commission Regulation (EC) No 3596/93 [13]; whereas the minimum guaranteed price for Atlantic sardine has been fixed by Commission Regulation (EC) No 3599/93 [14]; whereas the amount of the compensatory allowance for Mediterranean sardine has been fixed by Commission Regulation (EC) No 3600/93 [15]; whereas the amount of annual aid for cephalopod producers in the Canary Islands has been fixed by Regulation (EEC) No 1658/93;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Fishery Products,

HAS ADOPTED THIS REGULATION:

Article 1
