COMMISSION REGULATION (EC) No 293/94

of 9 February 1994

fixing the export refunds on pigmeat

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 2759/75 of 29 October 1975 on the common organization of the market in pigmeat (1), as last amended by Regulation (EEC) No 1249/89 (2), and in particular the first sentence of Article 15 (5) thereof,

Having regard to Council Regulation (EEC) No 2768/75 of 29 October 1975 laying down general rules for granting export refunds on pigmeat and criteria for fixing the amount of such refunds (3), and in particular Article 5 (1) thereof,

Whereas Article 15 of Regulation (EEC) No 2759/75 provides that the difference between prices on the world market for the products listed in Article 1 (1) of that Regulation and prices for these products within the Community may be covered by an export refund;

Whereas it follows from applying these rules and criteria to the present situation on the market in pigmeat that the refund should be fixed as set out below;

Whereas facilities exist at present for the export of pigs falling within CN codes 0103 91 10 and 0103 92 19 and certain products falling within CN code 0203; whereas a refund should be fixed for these products taking particular account of the conditions of competition for Community exporters on world markets;

Whereas there are openings for exports to certain eastern European countries; whereas the grant of a special refund with respect to these destinations is subject to compliance with the conditions provided for in Commission Regulation (EC) No 258/94 (4);

Whereas, in the case of products falling within CN codes 0210 19 51 and 0210 19 81, the refund should be limited to an amount which takes account of the qualitative characteristics of each of the products falling within these codes and of the foreseeable trend of production costs on the world market; whereas it is important that the Community should continue to take part in international trade in the case of certain typical Italian products falling within CN code 0210 91 81;

Whereas, because of the conditions of competition in certain third countries, which are traditionally importers of products falling within CN codes 1601 00 and 1602, the refund for these products should be fixed so as to take this situation into account; whereas steps should be taken to ensure that the refund is granted only for the net weight of the edible substances, to the exclusion of the net weight of the bones possibly contained in the said preparations;

Whereas, since economically significant quantities of other pigmeat products are not being exported at present, there is no need to fix a refund for these products;

Whereas Article 4 of Regulation (EEC) No 2768/75 provides that the world market situation or the specific requirements of certain markets may make it necessary to vary the refund on the products listed in Article 1 (1) of Regulation (EEC) No 2759/75 according to destination;

Whereas the refunds should be fixed taking account of the amendments to the refund nomenclature established by Commission Regulation (EEC) No 3846/87 (5), as last amended by Regulation (EC) No 3567/93 (6);

Whereas Council Regulation (EEC) No 990/93 (7) prohibits trade between the European Community and the Federal Republic of Yugoslavia (Serbia and Montenegro); whereas this prohibition does not apply in certain situations as comprehensively listed in Articles 2, 4, 5 and 7 thereof; whereas account should be taken of this fact when fixing the refunds;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Pigmeat,

HAS ADOPTED THIS REGULATION:
