COMMISSION REGULATION (EC) No 3268/94

of 21 December 1994

amending Regulation (EEC) No 1481/86 on the determination of prices of fresh or chilled sheep carcases on representative Community markets and the survey of prices of certain other qualities of sheep carcases in the Community in view in part of the accession of the Republic of Austria, the Republic of Finland and the Kingdom of Sweden

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to the act of Accession of Norway, Austria, Finland and Sweden and in particular Article 169 (2) thereof,

Having regard to Council Regulation (EEC) No 3013/89 of 25 September 1989 on the common organization of the market in sheepmeat and goatmeat [1], as amended by Regulation (EC) No 1886/94 [2], and in particular Article 4 (5) thereof,

Whereas by reason of the accession of Austria, Finland, and Sweden, Commission Regulation (EEC) No 1481/86 of 15 May 1986 on the determination of prices of fresh or chilled sheep carcases on representative Community markets and the survey of prices of certain other qualities of sheep carcases in the Community [3], as last amended by Regulation (EC) No 322/94 [4], should be adapted;

Whereas the coefficients used for calculating the price of sheep carcases on representative Community markets should be adjusted in the light of the figures available with regard to sheep production;

Whereas in Belgium, in the light of the volume of transactions recorded there, the market at Anderlecht should be recognized as a representative market; whereas the weighting coefficients for the representative markets should be altered to take account of the trend in quantities coming onto these markets;

Whereas in Germany, the regions and the coefficients fixed should be altered to take account of the trend in quantities coming onto these markets;

Whereas since no prices are recorded in respect of the Hoorn market, this market should be removed from the list of representative markets in the Netherlands;

Whereas the weighting coefficients reflecting the relative importance of each representative slaughterhouse market in Northern Ireland should be changed to take account of the trend in quantities coming onto them;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sheep and Goats,

HAS ADOPTED THIS REGULATION:
