COMMISSION REGULATION (EC) No 511/94

of 7 March 1994

amending Regulation (EEC) No 1961/93 increasing to 1 600 000 tonnes the quantity of maize held by the French intervention agency for which a standing invitation to tender for export has been opened

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EEC) No 1766/92 of 30 June 1992, on the common organization of the market in cereals (1), as amended by Commission Regulation (EEC) No 2193/93 (2), and in particular Article 5,

Having regard to Commission Regulation (EEC) No 2131/93 of 28 July 1993 laying down the procedure and conditions for the disposal of cereals held by the intervention agencies (3), as amended by Regulation (EC) No 120/94 (4),

Whereas Commission Regulation (EEC) No 1961/93 (5), as last amended by Regulation (EC) No 116/94 (6), opened a standing invitation to tender for the export of 1 100 000 tonnes of maize held by the French intervention agency to be exported to all countries of zones I, II (a) (b) (c), III (a) (b), V, VI, VIII and to Cuba; whereas, in a communication of 3 March 1994, France informed the Commission of the intention of its intervention agency to increase by 500 000 tonnes the quantity for which a standing invitation to tender for export has been opened; whereas the total quantity of maize held by the French intervention agency for which a standing invitation to tender for export has been opened should be increased to 1 600 000 tonnes; whereas the last partial invitation to tender should be posponed;

Whereas this increase in the quantity put out to tender makes it necessary to alter the list of regions and quantities in store; whereas Annex I to Regulation (EEC) No 1961/93 must therefore be amended;

Whereas the measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Cereals,

HAS ADOPTED THIS REGULATION:
