THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 266/94 of 4 February 1994 laying down detailed rules for the application in 1994 of the import arrangements for beef and veal provided for in the Bilateral Agreement between the Community and Sweden [1], as amended by Regulation (EC) No 394/94 [2], and in particular Article 4 (4) thereof,

Whereas Articles 1 (1) and 2 (1) of Regulation (EC) No 266/94 fix the quantity of fresh or chilled beef and veal falling within CN code 0201 and products falling within CN code 1602 50 31, 1602 50 39 or 1602 50 80 originating in Sweden which may be imported under special conditions during the period 15 February to 31 March 1994; whereas import licences for meat falling within CN code 0201 have not been requested; whereas, however, applications for preserved meat should be reduced proportionately in accordance with Article 4 (4) of that Regulation;

Whereas Article 2 (2) of Regulation (EC) No 266/94 states that if during 1994 the quantities for which applications for import licences have been submitted for the first, second or third period specified in paragraph 1 of that Article are less than the quantities available, the remaining quantities are to be added to the quantities available in respect of the following period; whereas, given the quantities remaining in respect of the first period, the quantities available for Sweden for the second period, from 1 April to 30 June 1994, should therefore be determined,

HAS ADOPTED THIS REGULATION:
