COMMISSION REGULATION (EC) No 903/94

of 25 April 1994

determining the extent to which applications lodged in April 1994 licences for certain eggs and poultrymeat products under the regime provided for by the Interim Agreements concluded by the Community with Romania and Bulgaria can be accepted

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Commission Regulation (EC) No 374/94 of 18 February 1994 laying down detailed rules for the application in the eggs and poultrymeat sector of the regime provided for by the Interim Agreements concluded by the Community, of the one part, and Bulgaria and Romania, of the other part [1], as amended by Regulation (EC) No 755/94 [2], and in particular Article 4 (5) thereof,

Whereas the applications for import licences lodged for the second quarter of 1994 are, in the case of some products, for quantities less than or equal to the quantities available and can therefore be met in full, but in the case of other products the said applications are for quantities greater than the quantities available and must therefore be reduced by a fixed percentage to ensure a fair distribution,

HAS ADOPTED THIS REGULATION:

Article 1

Applictions for import licences for the period 1 April to 30 June 1994 submitted under Regulation (EC) No 374/94 shall be met as referred to in the Annex.

Article 2

This Regulation shall enter into force on 26 April 1994.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 25 April 1994.

For the Commission

René STEICHEN

Member of the Commission
